Last Revised February 19, 2004

Dear Indiana Voter:

As Indiana's chief election officer it is my great pleasure to provide you with the 2004 Indiana Military and Overseas Voter Guide. Within this guide you will find the information and the application forms necessary for you to vote in Indiana elections.

My office, the federal government and your local election administrators want to provide you with every opportunity to cast your ballot regardless of where you are currently serving or living in the world.

In 2002, Congress passed and the President signed a significant piece of election reform legislation, the Help America Vote Act of 2002. Some of the most important measures included in the Help America Vote Act pertain to members of the military and/or U.S. residents living abroad.

Federal law now requires that Military Voting Assistance Officers be given the time and resources they need to help military personnel vote. Likewise, the Department of Defense must provide timely information about voting deadlines and make certain all military ballots are properly postmarked.

States may not refuse ballots for being submitted too early and if a state rejects an absentee ballot application from a military or overseas voter, the voter must be notified why the application was rejected.

The right of our citizens to popularly elect those who will represent us is among our most important freedoms and cherished civil liberties. This right does not end at Indiana's state line or our Nation's border. I hope you will find this information useful and in return will take the opportunity to cast your vote this year.

Sincerely,

Todd Rokita

Indiana Secretary of State

MILITARY VOTERS

Who is a military voter?

A military voter, otherwise known as an "absent uniformed services voter", is an individual serving away from his/her place of permanent residence who is also:

- A member of the Army, Navy, Air Force, Marine Corps, and Coast Guard, or other uniformed service on active duty who, by reason of active duty, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Merchant Marine who, by reason of service in the Merchant Marine, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Indiana National Guard deployed or on assignment outside Indiana.
- A spouse or dependent of a military voter who, by reason of the active duty or service of the member, is absent from the place of
 residence where the spouse or dependent is otherwise qualified to vote.

(See Indiana Code 3-5-2-1.5 for definition of "absent uniformed services voter" and IC 3-5-2-49.3 for definition of "uniformed services.")

Who can vote?

You have the right to vote in an Indiana election if you meet all of the following criteria:

- You are a U.S. Citizen;
- You are a resident of Indiana;
- You will be at least 18 years of age at the next general or municipal election;
- You have lived in the precinct where you vote for at least 30 days before the election;
- You are not currently in prison after being convicted of a crime; and
- You are registered to vote.

If you knowingly vote at an election when you are not authorized to vote, you are committing a felony and can be fined up to \$10,000, jailed for up to three years, or both.

How do I register to vote and request an absentee ballot?

If you meet all of the qualifications to vote, registering to vote and requesting an absentee ballot are simple. Follow these steps:

- Fill out a registration and absentee ballot application Standard Form 76. Be certain to read the directions carefully and complete all areas of the form. **Standard Form 76 has been enclosed in this packet for your convenience** (This form may also be found at www.fvap.gov). For the May 4, 2004 primary election you must choose a party affiliation in order to vote and then fill out the ABS-15 form located on page 21 of this packet (or the ABS-12 form if applying to vote an absentee ballot by fax located on page 15 of this packet).
- For the Primary Election normally held in May, return the voter registration form no later than Monday, April 5, 2004, and return the absentee ballot request no later than Monday, April 26, 2004. For the General Election normally held in November, return the voter registration form no later than Monday, October 4, 2004 and return the absentee ballot request no later than Monday, October 25, 2004.
- The county election administration office in the county in which you reside in Indiana will process your voter registration application and absentee ballot application. If the county rejects your voter registration or absentee ballot application, then you will be notified as to the reason the application was rejected. (See the ABS-14 form located on page 19 of this packet.) If your application for an absentee ballot is accepted, you will then need to fill out an ABS-9 form (also located in this packet) if you wish to vote your ballot by fax (rather than by mail).
- Your approved absentee ballot application remains in effect for the next two general elections. Your ballot will automatically be sent to the address you listed on your application. You do not need to re-apply for a ballot while your application remains in effect.
- There is an extended Voter Registration Deadline for certain Military Voters (Please see page 4 for more details.)

How do I cast my vote?

Voting is now easier for military voters. You can vote in person, by mail, or by fax.

- <u>Vote in person:</u> If your circumstances change and you can vote at the designated polling place for your permanent residence, then you should contact your county for instructions on how to proceed. County contact information is listed on pages 21-23 of this packet.
- <u>Vote by mail:</u> After you submit an absentee ballot application to the county in which you reside, the county will send you an official election ballot with instructions. You are responsible for returning the ballot to the county by the deadline stated on the form.
- <u>Vote by fax:</u> When you fax your absentee ballot application to your county election office, you may request that an official election ballot be faxed back to you. Fill out the ballot according to the instructions and fax it back to the county. (Please see page 5 for more details.)

MILITARY VOTERS

EXTENDED VOTER REGISTRATION DEADLINE FOR MILITARY VOTERS AND THEIR FAMILY MEMBERS

QUESTIONS AND ANSWERS

1. I'm not registered to vote at my Indiana address. When is the deadline to register?

In most cases, your county voter registration office must receive your registration application by April 5, 2004, (which is 30 days before the Primary Election), or by October 4, 2004 (which is 30 days before the General Election). There are some exceptions to those deadlines to accommodate military voters. See below.

2. Can I register after this deadline? What if I missed it?

You can return your registration application at any time. Usually, if your county voter registration office receives it after the deadline, your application will not be processed until after the election. The county voter registration office will then process your application so that you will be registered to vote for the following election.

3. Are there any exceptions to missing this registration deadline?

Yes, certain military voters and their family members can still register after the deadline. If you are:

- A member of the Indiana National Guard deployed or on assignment outside of Indiana;
- A member of the Army, Navy, Air Force, Marine Corps, or Coast Guard (or other uniformed service), absent from your residence due to active duty;
- A member of the Merchant Marine, absent from your residence; or
- The husband, wife, or dependent of one of those individuals;

then you may still be able to register to vote after the deadline.

To qualify for extended registration before the May 2004 primary, you must

- Meet the other qualifications to be a registered voter in Indiana (be a citizen of the United States, at least eighteen years of age, and reside in an Indiana precinct, for example).
- Complete a voter registration application.
- Have been absent from Indiana from December 1, 2003 through April 5, 2004.
- Have returned to Indiana after April 5, 2004.
- Show your county voter registration office your discharge (dated on or after December 1, 2003) or a government movement order (with a reporting date on or after December 1, 2003).
- Not have already voted at any other precinct in the election.

If you meet all of these qualifications, you will be allowed to register and vote in the election.

To qualify for extended registration before the November 2004 general election, you must

- Meet the other qualifications to be a registered voter in Indiana (be a citizen of the United States, at least eighteen years of age; and reside in an Indiana precinct, for example).
- Complete a voter registration application.
- Have been absent from Indiana from May 18, 2004 through October 4, 2004.
- Have returned to Indiana after October 4, 2004.
- Show your county voter registration office your discharge (dated on or after May 18, 2004) or a government movement order (with a reporting date on or after May 18, 2004).
- Not have already voted at any other precinct in the election.

If you return to Indiana after April 5, 2004 (or October 4, 2004 for the general election) and before your county's voter list is printed (no later than 10 days before the election), then your name will be added to the voter list and will appear on that list along with the other voters of your precinct. You can vote in person at the poll (or by absentee ballot in the clerk's office).

If you return to Indiana after your county's voter list is printed and before noon on the primary election day (May 4, 2004) or general election day (November 2, 2004), then you can still register and vote, but you will need to vote by absentee ballot in the clerk's office. You will be asked to fill out a special affidavit so that when your absentee ballot is forwarded to your precinct, the precinct election officials can confirm that you are registered to vote.

MILITARY VOTERS

VOTE BY FAX

OUESTIONS AND ANSWERS

1. I will not be in Indiana on Election Day, and I do not have time to get my absentee ballot returned through the mail. What can I do?

If you are a military voter or an overseas voter, you can fax your application for an absentee ballot to your county election office. You can also request that your absentee ballot be faxed to you. After you receive and mark your ballot, you can then fax your completed ballot back to your county election office.

2. Who qualifies for these special procedures as a "military voter"?

If you are:

- A member of the Indiana National Guard deployed or on assignment outside of Indiana;
- A member of the Army, Navy, Air Force, Marine Corps, or Coast Guard (or other uniformed service), who is absent from your residence due to active duty;
- A Merchant Marine, who is absent from your residence; or
- The husband, wife, or dependent of one of those individuals;

then you can qualify to vote by FAX.

3. How can I apply for my absentee ballot using these special procedures?

There is a special form (ABS-12) which is available via the Secretary of State's web page (www.in.gov/sos/elections) and from your county election office. You can download this application form from the Election Division website and fill it out. You can then fax the application form directly to your county election office. County fax numbers and other contact information can be found with the form on our web page.

4. What happens after I fax in my absentee ballot application?

Your county election office (usually the circuit court clerk) will review your application. If it is complete and you are otherwise qualified, the clerk will fax a blank ballot back to the fax number on your application. In some counties your ballot may have to be "homemade" by the clerk since your mark on a fax could not be read if you used the ordinary ballot given to voters at the polls. Even if your ballot looks a little different than the ballot you used in other elections, it will still be cast and counted if you complete and return it properly.

5. How can my ballot be secret if I fax it back?

In return for the convenience of faxing back your completed ballot, you will have to sacrifice some secrecy. Your county election office will send you a cover sheet to fax back along with your completed ballot (Form ABS-9). On the cover sheet, you will be asked to sign a "Voluntary Waiver of Secret Ballot" which recognizes this fact.

Once your faxed ballot is received, your county election office will take every possible precaution to preserve your ballot's secrecy. Your faxed ballot will be counted with other absentee ballots.

6. What is the deadline for applying for an absentee ballot by FAX?

Your application must be received by your county election office by midnight (local prevailing Indiana time) on Monday, April 26, 2004 for the primary election and Monday, October 25, 2004 for the general election. Legislation will also be considered in 2004 to extend those deadlines further, so contact the Election Division for more information next year.

7. What is the deadline for returning my faxed ballot?

Your ballot must be received in time for the ballot to be delivered to your polling place before the polls close (6 pm local time). We recommend that you fax your ballot back **BEFORE** election day if possible. Since Election Day is a legal holiday, most other county offices are closed. Your county election office may not have access to a fax that is located in another county office.

8. What if I have more questions?

Please feel free to contact the Election Division by email (elections@iec.state.in.us) or by fax (317-233-6793) or Secretary of State Todd Rokita by email aa@sos.state.in.us or by fax (317-233-3283). They will do their best to help in any way, and can work with your county election office to make this process go as smoothly as possible for you.

How To Find Information About Elections & Candidates

Elections:

Information about elections can be found on the Secretary of State's website at www.in.gov/sos under the Indiana Election Division page. New information is also posted on a regular basis under the "What's New" section. Secretary Rokita and the Election Division have developed an Indiana Voter's Bill of Rights, which is a plain language document about accessibility and accountability; it provides accessibility for all Hoosiers by letting them clearly know their rights and accountability for criminals who would commit fraud and deny Hoosier voters their rights.

Some Indiana counties have websites that include election information at the local level. See www.in.gov/sos/elections/voters/usefullinks.html.

Candidates:

Your county circuit court clerk is a good source to contact to request additional information about the voting equipment used in your county and about candidates for local office.

You may also wish to contact the political parties listed on page 16 of this packet for information about their platforms and candidates.
